Subject: Dialectical Ideography -- *New Introductory Letter* and ð Supplement A., for your **Primer** page

Dear **Webmaster**,

Greetings to you from the **F.E.D.** mobile headquarters!

Enclosed with this letter you'll find:

- Our *New Introductory Letter*, a primer on Dialectical Ideography and the mission of **F.E.D.**;
- **Part 1** of Supplement A. to that *Letter*, setting out the foundations of *dialectical arithmetic*;
- The first section of the Postscripts' Glossary of Neologia, for words starting with 'a'.

The exigencies of our recent mobility have precluded our completion of the revisions to the rest of Supplement A., as well as to Supplement B., at this time.

We plan to transmit them to you, along with the rest of the promised packages of *Briefings* for your **Primer** page, as soon as our circumstances allow.

We also plan to send you a further section of the Glossary of Neologia with each new mailing.

Dialogically yours,

Hermes de Nemores,  
Secretary to the General Council,
